

Iuvo Omega is a full service agency that delivers compelling digital marketing solutions to North American, European and Australian clients.

We are looking for an educated, hardworking, ambitious Graphic and Web Designer. The Graphic and Web Designer will be responsible for the creative print and digital concepts and overall design elements, attentive to detail. Position requires a combination of technical versatility and design creativity. The Graphic and Web Designer will leverage strong creative abilities and excellent communication skills to contribute ideas, solutions, and energy to a high-performing, service-oriented team.

## Graphic and Web Designer

### POSITION RESPONSIBILITIES:

- Design modern and creative graphic and web elements including responsive web and mobile design
- Close work with the team to create and/or customize themes
- Research the latest digital trends and best practices
- Design using best in class user experience practices
- Able to meet deadlines and produce high quality work in a collaborative, team-oriented environment
- Flexible, stable under pressure, react well to changes
- Self-motivated and independent as well as a team player
- Deadline oriented and able to multi-task

### MINIMUM REQUIREMENTS:

- 2+ years of design experience
- Extremely proficient in Photoshop CS6/CC
- Highly skilled in Illustrator CS6/CC, InDesign CS6/CC

- Excellent understanding of responsive web and mobile design
- Overall knowledge of website structure, functionality, and limitations
- Strong communication skills with excellent attention to detail
- Fluent in written and spoken English

**PREFERRED REQUIREMENTS:**

- Good understanding of HTML5, CSS and browser capabilities
- Good understanding of SEO

**WHAT WE OFFER:**

If you're ready to join a world-class team at a growing company where team members from across departments work together every day to constantly improve the experience for clients, you will be very welcome.

- Full-time job
- Work from home
- Flexible hours (when project deadlines allow)
- Stable and friendly working environment

If you feel qualified for this position, please submit your resume today and take a chance to join our successful team. Please also be prepared to share a portfolio of your graphic and web accomplishments.

CV in English with photo must be sent until **May 31, 2017** to [careers@theiuvo.com](mailto:careers@theiuvo.com)

We are looking forward to hearing from you!
